

Amended SPGP-01 Summary Sheet

RCI Development Projects in Certain Nontidal Waters & Wetlands

Category A	Category B	Category C
<p>Losses of up to 1/10 of nontidal wetlands or certain waters (lakes, ponds, etc.) or no more than 300 linear feet of stream bed.</p> <p><u>No</u> Corps confirmed delineation required prior to submission of a JPA.</p> <p>Corps receives copy of JPA & reviews it to insure</p> <ul style="list-style-type: none"> -impacts do not exceed limits -no T/E species are affected -no eligible/listed historic properties are affected. <p>If clean, Corps PM sends email to DEQ PM & close file. When DEQ issues their permit, they will include a statement that the work satisfies the Corps' SPGP.</p>	<p>Losses of up to 1/2 of nontidal wetlands or certain waters (lakes, ponds, etc.) or no more than 300 linear feet of stream bed.</p> <p>Corps confirmed delineation is required prior to submission of a JPA.</p> <p>Corps receives copy of JPA & reviews it to insure</p> <ul style="list-style-type: none"> -impacts do not exceed limits -no T/E species are affected -no eligible/listed historic properties are affected. <p>If clean, Corps PM sends email to DEQ PM & close file. When DEQ issues their permit, they will include a statement that the work satisfies the Corps' SPGP.</p>	<p>Losses of up to 1 acre of nontidal wetlands or certain waters (leakes, ponds, etc.) or no more than 2,000 linear feet of stream bed.</p> <p>Corps confirmed delineation is required prior to submission of a JPA.</p> <p>Corps receives copy of JPA, reviews it & coordinates it with EPA & FWS (15 day comment period) & VDHR (30 day comment period).</p> <p>Corps PM conducts avoidance & minimization review & determines required mitigation. Both Corps & DEQ take permit actions within 45 days of receipt of a complete application.</p>

Other Changes

- amends language to enhance our ability to assess cumulative impacts;
- changes notification requirements for projects affecting T/E species in SW VA; and
- instructs applicants to submit JPAs directly to DEQ & the Corps.
